Our mission is

EXCELLENCE in HEALTH CARE

Seven Rivers Regional Medical Center is a 128-bed general, medical/surgical acute care facility that opened its doors in 1978 and serves the communities of Citrus, Levy and South Marion Counties. Seven Rivers Regional is fully accredited by The Joint Commission and has earned the Gold Seal of Approval™ from Joint Commission as a Certified Primary Stroke Center and is a Florida State designated Primary Stroke Center. The medical center is recognized with a Triple Performance Achievement Award from the American Heart Association/ American Stroke Association for its success with *Get With The Guidelines*. In addition, Seven Rivers Regional is a partner with Florida Medical Quality Assurance, Inc. on Medicare projects - receiving a Performance Improvement Award, has joined the Institute for Healthcare Improvement's 5 Million Lives Campaign and has been honored as one of the nation's Top 100 Hospitals (1999, 2001) and Top 100 Hospitals for Stroke (2000).
